LOVE TO DREAM SWADDLE

Swaddling the babies is very common in all cultures. Dream Swaddle UP Warm is a soft bamboo Swaddle with arms up and a healthy design. It is warm with your child's natural resting area to provide a comfortable night's sleep for both parents and children. ARMS UP design, which allows complete cooling.

Love to Dream Swaddle UP offers multiple benefits of a conventional swaddle with the comfort and security of a sleeping suit. The baby is wrapped in a soft, stony cloth that mimics the feeling of being in the womb, with arms raised naturally and the buttocks free to move. It has many unique features: A 7.5 tog, extra-wide and bamboo coat is ideal for cool temperatures (18-20°C); a single layer fabric reduces the risk of overheating. A proven hip-healthy design allows for recommended flexibility of the hips and legs. No loose layers can be started during sleep. It is as safe and secure as a uterus. The swaddle is sewed with a twin zipper for an easy diaper change. Reduces the baby's Moro reflex, allowing your baby to wake up calm and not panic. The minimum swaddle length is 58cm, Medium 60cm, and Works 62cm. Love to Dream Swaddle is perfect for your baby to feel like a womb. So give your child the proper comfort by providing them with the best sleeping suit. This swaddle is available for the best price at \$33.99. This swaddle cannot beat other brands due to its unique "ARMS UP" feature.
